

Position: Terrestrial Ecologist

Masse Environmental Consultants is a Nelson B.C. based company that provides environmental consulting services to the mining, forestry, hydropower, construction and government sectors. We are looking for an experienced terrestrial ecologist to join our team. The position will be for a six month term and has the potential to lead to full time employment. The successful candidate will be responsible for leading terrestrial field assessments, conducting Riparian Areas Protection Regulation assessments, permitting and providing technical support to project managers. Assistance in a wide range of other projects in the environmental management field will also be required.

The ideal candidate will meet the following criteria:

- Minimum 5 years of experience leading terrestrial field assessments.
- Proficient plant ID skills and significant fieldwork experience.
- Trained or familiar with conducting Riparian Areas Protection Regulation Assessments.
- Experience developing revegetation and habitat restoration plans.
- Project management skills in the fields of environmental management, assessment and restoration.
- Proficient knowledge in current provincial and federal environmental legislation.
- Experience preparing environmental permit applications.
- Must have a university degree in an environmental related field.
- Have excellent oral and written communication skills.
- Proficient with word processing and data management software.
- Capable of preparing technical and scientific reports and proposals.
- Willing to work extended hours and/or travel when required.

Assets:

- Registered professional status or eligible to obtain professional designation (P.Ag. or R.P.Bio.).
- Experience conducting wildlife surveys and wildlife identification.
- Experience conducting Species at Risk and invasive plant surveys.
- Experience conducting environmental monitoring and compliance inspections.

To apply for this position, please submit a resume and cover letter to: info@masseenvironmental.com by April 15, 2021. Only qualified individuals being considered for the position will be contacted for an interview.

Thank you for your interest!
